As soon as I finish mom is surrounded by a misty aura and she has a spoon in here hand "Issei you better be down in 5 minutes or else" She says with a smile as she bends the spoon "Wouldn't want your food to get col-" I jump off my bed and dash down the stairs and behind me I hear "Good boy" after breakfeast I get ready but it's around 7:15am some type of screen appears in front of me

while I hear the occasional "ooooo look at thoses" from Motohama I am approached by Murayama and Katase. They sneer at me and say "Pervert where are your friends?" while they brandish their Bokken.

Murayama is apart of the Kendo club she is a pretty well endowed girl with a big chest with Brown hair that matches her eyes I look at her as she stars me down I proceed to whisper "Observe" and get.

I wake up as I answer their question.

I then point over to the bushes and the girls follow my hand and see the asses of both of my comrades 'Bastards that's what you get for leaving me yesterday' they whisper to each other and walk over there.

As I indulge in my book I hear the screams of both of my friends in the bushes behind me followed by the snapping of bokken on ass. Around 5 minutes later the girls walk out as they are done with their workout. Murayama looks at me and asks "What kinda porn you reading Hyoudou hmm?" I brandish her my history book and she looks shocked.

They mutter between themselves for a few minutes and I hear "And he hasn't even been looking at my boobs what is wrong with hyoudou" I give them a deadpanned look as they start to walk away I read my book I gain another pop up screen

\*\*Wis +1 -Deciding books over boobs for once you have gained wisdom.\*\*

As I am walking home from school I am approached again by Murayama and Katase again they look pretty nervous and Katase says "Hyoudou what is wrong with you..you..aren't up to your perverted antics today what happend?"

I stare at them for a minute and with a sigh I say "I decided to actually put my mind into school today why are asking me whats wrong with me when I decide not to look at you changing most people would see it as an improvement" They look at me like they are trying to find out where I am getting at and then walk away.
